Separate, additional fees will be charged for certain electives, field trips, and other miscellaneous school activities.

Note on fundraising: Tuition and fees provide only a portion of the total cost required to educate a student at St. Joseph Academy. As is the case with almost all private schools, gifts and contributions must make up this revenue shortfall to the school. St. Joseph Academy conducts two major fundraising activities, to achieve its revenue requirements. In addition to monetary gifts, many parents contribute time and resources to perform tasks that would otherwise result in increased expenses to St. Joseph Academy. We ask that all families contribute 40 hours of volunteer service hours per year.
